Super Health Trios

These Trios are not shrink-wrapped together so that you can purchase the items individually in any amount.

The pH Trio

Three Products for Alkaline pH Support

Without regular intake of highly bio-available minerals, maintaining an ideal alkaline pH is impossible. We have found that the most preferred source of alkalinizing minerals in the world is Sango marine coral minerals: the key to perfect pH.

Mix the coral mineral powder with quantum inner leaf aloe liquid for spectacular uptake, supporting superior whole body health. Combine this with natural vitamin D3 to assist in the utilization of calcium.

**Spine Hang Up**

Stretch, decompress and relax muscles naturally with the top rated Teeter Hang Ups®. This ideal home unit inverts the body using gravity to promote flexibility, circulation, lymph fluid and ligament integrity. The injection molded ComforTrak® Bed maximizes comfort, flexing to fit your body shape while enhancing stretching and joint mobilization.

The Ergo-Embrace™ Ankle System is made up of pressure-reducing foam cups that distribute body weight comfortably around the foot and heel for a relaxing and secure inversion experience. To use this table, your height must be between 4’8” and 6’6” tall. *Ensure a secure, durable platform before attempting inversion on non-Teeter equipment.

**X1 FitSpine X1 Inversion Table**
The X1 FitSpine X1 is the most popular model from the ComforTrak Series, Teeter Hang Ups® flagship line of inversion tables.

- Grip-and-Stretch Handles Hand-holds in the bed and steel frame serve as manual traction points to enhance decompression and realignment.
- ComforTrak® Bed The pressure-reducing shape maximizes spinal comfort and flexes with the user to enhance joint mobilization.
- Ergo-Embrace™ Ankle System Pressure-reducing specialty foam cups distribute body weight comfortably around the foot and heel to allow for a relaxing and secure user experience.
- Does not include: EZ-Stretch Traction Handles and EZ-Up Gravity Boots.
